To Whom it May Concern:

I highly recommend Silvano Riccio as a candidate for employment. Silvano was employed by Primeur srl as a Software Developer from 2002 - 2013. Silvano was responsible for development, test, deployment and support.

Silvano has excellent communication skills. In addition, he is extremely organized, reliable and computer literate. Silvano can work independently and is able to follow through to ensure that the job gets done. He is flexible and willing to work on any project that is assigned to him. Silvano was quick to volunteer to assist in other areas of company operations, as well.

If you have any further questions with regard to his background or qualifications, please do not hesitate to contact me.

Sincerely,

Mauro Lisa
